Rutgers University
National Institute for Early Education Research
License Agreement

Rutgers, The State University of New Jersey’s National Institute of Early Education Research (NIEER), has developed the State Administrative Cost of Quality (SACQ) tool and accompanying materials.

________________________(organization/individual), from here on defined as the Licensee is granted permission to use these materials for estimations of system costs for __________________________________ (State/District/Authority), from here on defined as the Project.

Rutgers, The State University of New Jersey (“Rutgers”) hereby grants the Licensee a single, non-exclusive, restricted, non-transferable license for the use, performance, display, and reproduction of the SACQ and accompanying materials as follows (solely for the purposes of Project as defined in the attached request form attached) on the following terms:

Rutgers maintains full legal and other proprietary rights to the SACQ and all accompanying materials licensed hereunder. This license does not confer on the Licensee any right of ownership in, or to, the SACQ and accompanying materials.

The Licensee will use the materials licensed under this License Agreement only as necessary to carry out Project. In so doing, the Licensee will not use the materials in any way that would infringe upon or violate any United States or foreign copyright, patent, trademark, trade secret, or other proprietary right of Rutgers, or of any third party, or any applicable law or regulation. The Licensee further agrees not to intentionally use the concepts, SACQ and accompanying materials in any way that would adversely affect the value of said products or Rutgers’ or NIEER’s reputation.

Rutgers makes no representations or warranties about the accuracy, reliability, completeness or suitability of the SACQ model for any particular purpose and disclaims all responsibility and all liability (including without limitation, liability in negligence) for all expenses, losses, and damages (including indirect or consequential damage) incurred as a result of inaccurate or incomplete information in the SACQ in any way or for any reason. All datasets are updated as they become available to provide the most current information, however the data may not be valid and reliable for all purposes.

Licensee acknowledges that it may be acquiring knowledge of trade secrets and/or information of a confidential nature that is of great value to Rutgers. The Licensee agrees
not to divulge to anyone, either during the term of this agreement or at any time following the
termination of this agreement, any information acquired by the Licensee concerning the
SACQ and accompanying materials other than that which is specifically permitted under this
license or which is publicly known, independently developed or disclosed to the Licensee by
a third party.

Licensee agrees that all material developed by the Licensee incorporating the material
licensed under this License Agreement shall prominently display the citation:
Enhancing Early Learning Outcomes.

The Licensee has no rights to create derivative works from materials licensed hereunder. Nor
may it copy or distribute said materials except as specifically provided for in this license
agreement. Any publication or presentation of Project results shall appropriately
acknowledge the use for the licensed materials as in the citation above.

This unlimited license agreement shall be commencing on ________________
(dd/mm/yy).

If the SACQ and accompanying materials were to be published, any further use of the
instrument should be governed by Rutgers’ agreement with the publisher.

There is no cost for using these materials.

NIEER have the expectation that Licensee will share with NIEER SACQ information
collected within this agreement to support the process of fine-tuning the tool.

Rutgers hereby warrants and represents that it is the owner of the SACQ and all accompanying
materials licensed to the Licensee under this License Agreement, and that the foregoing do not
infringe or violate the proprietary and intellectual property rights of any third party.

The Licensee agrees to indemnify Rutgers, the State University of New Jersey against any and
all claims arising from its use of the materials licensed hereunder except to the extent that
Rutgers breached the above warranty.

The license agreement shall be governed by the laws if the State of New Jersey without reference
to its conflict of law provisions.
IN WITNESS WHEREOF, the parties have executed this Agreement by their respective, duly authorized representatives as of the date first above written.
