**OVERVIEW**

**WHAT’S NEW**

The Illinois General Assembly appropriated an additional $50 million dollars to the Early Childhood Block Grant (ECGB) for the 2018-2019 school year, resulting in an enrollment increase of over 6,000 children. In addition, the state is working across multiple agencies to finalize the rules prohibiting suspension and expulsion in state-funded preschool. Also, the Illinois Office of the Governor was awarded a Preschool Development Grant Birth through Five renewal award in 2019 for $13,414,500 annually through 2022.

**BACKGROUND**

The Illinois Prekindergarten Program for At-Risk Children was founded in 1985. The Illinois Preschool for All initiative began in 2006 with the goal of providing pre-K to all 3- and 4-year-olds by 2012. The program operates now in all counties, however, enrollment priority continues to be for children who are considered at-risk. This is due to budget constraints preventing the ability to serve all children who might wish to attend. The program is funded through the state Early Childhood Block Grant (ECBG), which also supports the Prevention Initiative for children birth to age three. ECBG funding must be used to serve children age three or younger, in addition to 4-year-olds.

Funding for Preschool for All is awarded on a competitive basis to public schools, private child care, Head Start, faith-based centers, higher education institutions, and regional offices of education. To be eligible, children must have at least two risk factors, such as low income, history of family neglect, violence, or abuse, exposure to drug or alcohol abuse in the family, developmental delays, low parent education, and homelessness or unstable housing. A second level of priority for Preschool for All enrollment includes families with incomes at 400% of FPL, but currently there is no funding available for programs to serve children at this second priority level.

Preschool for All programs are required to provide instruction in children’s home language if there are 20 or more English Language Learners (ELLs) with the same home language enrolled in a program. All pre-K teachers are required to meet bilingual education certification requirements. Language of instruction is determined locally if there are fewer than 20 ELLs with the same home language, however English as a Second Language and other home language supports may be provided.

Federal grant funding has supported enhancement in both preschool program implementation and access in Illinois. The Preschool Development Grant, awarded to Illinois in 2014, supported 2,348 new preschool slots and 1,869 enhanced preschool slots during the 2018-2019 school year, using carryover funds. In addition, Race to the Top grants allowed Illinois to implement a Quality Recognition and Improvement System (QRIS) called ExceleRate Illinois, revise and align the Illinois Early Learning and Development Standards with Common Core State Standards and the Head Start Framework, and, in the 2017-2018 school year, implement the Kindergarten Individual Development Survey (KIDS) assessment.
