APPENDIX A: STATE SURVEY DATA 2024-2025

- Appendix Table 1. Name of state-funded preschool program
- Appendix Table 2. State agency with administrative authority over state preschool
- Appendix Table 3. Geographic availability of preschool
- Appendix Table 4. Requirements for districts/counties/parishes/towns in the state to offer preschool program
- Appendix Table 5. Number of children enrolled in state-funded preschool
- Appendix Table 6. Number of children enrolled in local/city/district-funded preschool
- Appendix Table 6. Number of children enrolled in local/city/district-funded preschool
- Appendix Table 7. Number of children with disabilities enrolled in state-funded preschool
- Appendix Table 8. Children with disabilities served in inclusive pre-K classrooms
- Appendix Table 9. Enrollment in both state-funded preschool and Head Start
- Appendix Table 10. Number of children dually enrolled in preschool and Head Start
- Appendix Table 11. State supplements to federal Head Start and Early Head Start
- Appendix Table 12. Uses of state supplemental Head Start and Early Head Start funding
- Appendix Table 13. Number of Head Start slots supported by state supplemental funding
- Appendix Table 14. Number of Early Head Start slots supported by state supplemental funding
- Appendix Table 15. State supplemental funding for Head Start and/or Early Head Start
- Appendix Table 16. Program can report preschool enrollment by child race and/or ethnicity
- Appendix Table 17. Preschool enrollment by child ethnicity
- Appendix Table 18. Preschool enrollment by child race
- Appendix Table 19. Preschool enrollment by child race and ethnicity
- Appendix Table 20. Preschool enrollment by home language
- Appendix Table 21. Program can report preschool enrollment by family income
- Appendix Table 22. Preschool enrollment by eligibility for free and/or reduced-price lunch
- Appendix Table 23. Preschool enrollment by other measures of family income
- Appendix Table 24. Preschool enrollment by program location
- Appendix Table 25. Preschool enrollment by operating schedule
- Appendix Table 26. Daily and weekly preschool operating schedule
- Appendix Table 27. Annual operating schedule for preschool
- Appendix Table 28. Minimum age for preschool and kindergarten eligibility
- Appendix Table 29. Eligibility for state-funded preschool (beyond age)
- Appendix Table 30. Income eligibility for preschool
- Appendix Table 31. Use of income requirement for preschool eligibility
- Appendix Table 32. Risk factors besides income that can be used to determine preschool eligibility
- Appendix Table 33. Reassessment of child eligibility after enrollment
- Appendix Table 34. Maximum preschool class size
- Appendix Table 35. Staff to child ratio requirement in preschool
- Appendix Table 36. Preschool meal requirements
- Appendix Table 37. Required screenings

*** COMING SOON ***

- Appendix Table 38. Required referrals
- Appendix Table 40. Required comprehensive support services
- Appendix Table 41. State Early Learning and Development Standards (ELDS)
- Appendix Table 42. State Early Learning And Development Standards (ELDS) URL
- Appendix Table 43. Year ELDS was last revised
- Appendix Table 44. Domains addressed in the state’s ELDS
- Appendix Table 45. Content areas addressed in the state’s ELDS
- Appendix Table 46. Alignment of ELDS with other state standards
- Appendix Table 47. State policy requirements for alignment between preschool child assessments and ELDS
- Appendix Table 48. State supports for the use of the ELDS in preschool
- Appendix Table 49. State supports for curriculum decision-making and implementation
- Appendix Table 50. Curricula included on the state’s approved/recommended list
- Appendix Table 51. Programs are required to select a curriculum from the approved/recommended list
- Appendix Table 52. Factors that determine which curricula get on the state approved/recommended list
- Appendix Table 53. Preschool curricula are required to be aligned with elementary curriculum
- Appendix Table 54. Individuals involved in decisions about which curricula are included on the state approved/recommended list
- Appendix Table 55. State requires/provides coaching and/or professional development on preschool curriculum
- Appendix Table 56. Sources of information used to inform curriculum decision-making and/or curriculum implementation
- Appendix Table 57. Adjustments to curricula or supports based on “A New Vision For High Quality Pre-K Curriculum”
- Appendix Table 58. State policy requires programs to assess preschoolers’ learning and development
- Appendix Table 59. Program has a list of required or recommended preschool child assessments
- Appendix Table 60. Required child assessments must be aligned with curriculum used
- Appendix Table 61. Required child assessments must be aligned with child assessments used in elementary schools
- Appendix Table 62. Domains required to be covered by preschool child assessments
- Appendix Table 63. Frequency of required preschool child assessments
- Appendix Table 64. Minimum lead preschool teacher degree requirements
- Appendix Table 65. Required lead preschool teacher pre-service specialized training
- Appendix Table 66. Required lead preschool teacher credentials/licenses/endorsements
- Appendix Table 67. Education requirements for lead teachers in family child care (FCC) differ from the lead teacher requirements
- Appendix Table 68. Number of preschool teachers employed
- Appendix Table 69. Percentage of lead preschool teachers by highest degree
- Appendix Table 70. Number of lead preschool teachers by highest degree
- Appendix Table 71. Preschool teacher shortages during the 2024-2025 school year
- Appendix Table 72. Waivers or exemptions in place for lead teacher requirements during the 2024-2025 school year
- Appendix Table 73. Minimum qualifications for lead teachers with waivers
- Appendix Table 74. Minimum qualifications for long-term substitutes
- Appendix Table 75. Incentives provided by the state for preschool teachers due to teacher shortages
- Appendix Table 76. Minimum assistant preschool teacher degree requirements
- Appendix Table 77. Required assistant teacher degree specializations and/or pre-service training
- Appendix Table 78. Waivers or exemptions in place for assistant teacher requirements during the 2024-2025 school year

- Appendix Table 79. In-service professional development requirements for lead and assistant preschool teachers
- Appendix Table 80. In-service professional development related to health and safety
- Appendix Table 81. Written, individualized annual professional development plans for preschool teachers
- Appendix Table 82. Ongoing classroom-embedded support (e.g., coaching, mentoring) for preschool teachers
- Appendix Table 83. Frequency of coaching/mentoring for preschool teachers
- Appendix Table 84. State policy requires compensation parity for lead preschool teachers with k-3 teachers
- Appendix Table 85. Average annual salary for lead preschool teachers
- Appendix Table 86. State policy requires compensation parity for assistant preschool teachers with k-3 assistants
- Appendix Table 87. Average annual salary for assistant preschool teachers
- Appendix Table 88. Fiscal year 2025 preschool spending
- Appendix Table 89. Fiscal year 2025 federal funding sources and amounts for preschool
- Appendix Table 90. Requirements for a local match for preschool funding
- Appendix Table 91. Agencies eligible to receive preschool funding directly
- Appendix Table 92. Agencies with which subcontracting is permitted to provide preschool
- Appendix Table 93. Requirements for structured observations of preschool classroom quality
- Appendix Table 94. Criteria used to determine if classrooms receive structured observations of classroom quality
- Appendix Table 95. Required preschool classroom observation instruments
- Appendix Table 96. State supports for reliability and validity of preschool classroom quality observation data
- Appendix Table 97. Sharing of preschool classroom observation data with the state and local programs
- Appendix Table 98. Use of preschool classroom quality observation data for program improvement
- Appendix Table 99. Preschool site visits
- Appendix Table 100. State policy requires participation in the state's Quality Rating And Improvement System (QRIS)
- Appendix Table 101. Programs are required to achieve a certain quality rating level
- Appendix Table 102. State policy requires and/or guidance recommends outdoor time
- Appendix Table 103. Outdoor time counts towards required instructional minutes
- Appendix Table 104. State policy requires and/or guidance recommends that programs have green or natural space
- Appendix Table 105. Does the state have a formal definition of outdoor or nature-based preschool?
- Appendix Table 106. Are there any outdoor or nature-based preschools participating in this state-funded preschool program?
- Appendix Table 107. Specific state regulations or guidance for nature-based and/or outdoor preschools
